# **Instructions**

**Blogging Bishop welcomes you to give us your best shot for Earth Day 2011. We would love to see how you express your thoughts and feelings about our part of the natural world. To bring out the best in everyone we are hosting an Earth Day 2011 Photo Contest.**

## **Photo Contest Terms:**

**Entries must have a theme related to the natural world as a part of the Earth Day celebration. We would like to encourage the celebration of local themes as you see them in relation to Earth Day celebration.**

**Entries can be printed by any means chemical or digital and can be color or black and white.**

**Entries must be printed and submitted on a 16" X 20" foam art board. The image must fit within that area, but it need not fill it. It can be presented in any orientation.**

**You are limited to two entries. Please fill out the entry form and one ID tag for each piece you submit. Your tags will be assigned unique numbers by the Blogging Bishop staff when you submit your entry form, ID tags, and your photos.**

**Entries must be submitted to Blogging Bishop at 162 E. Pine St. by April 22, 3:00 PM. Your contact is Dee Younger: 760 872-4655**

**The judging process will be a public vote held at the Earth Day event. Voting will open to the public at 11:00 AM and close 3:00PM. Results will be announced at close of voting and after votes are counted. The winners of each category/theme will be published at [www.bloggingbishop.com](http://www.bloggingbishop.com) and announced the Inyo Register, The Sheet, Mammoth Times, and Sierra Reader.**

**We hope you have a great time preparing your best shots and we look forward to being moved and inspired by your participation!**

**Good luck!**
